## Subject: AD-SP CARTRIDGE CHANGE

Bendix is introducing a new cartridge for the AD-SP and AD-IS air dryers. The new cartridge is 6.30 inches in height and weighs 5.72 pounds. The drying performance remains identical to the current unit.

The current cartridge will be obsolete and there will be a part number change as follows:

Description	Obsolete P/N	New P/N	New Product Description
AD-SP Cartridge Kit	109994	5008414	Height: 6.30 inches Weight: 5.72 pounds

AD-SP Air Dryer
